

Activity Name:	Coloured Bath Time!	# 00191
-----------------------	----------------------------	----------------

My Child Learns:	<ul style="list-style-type: none"> • Fine Motor Development - Pouring • Mathematics – Measuring and Volume • Colour recognition
-------------------------	--

What Do I Need?	<ul style="list-style-type: none"> • 1 bath full of water + small child • Food colouring • Measuring jugs, sieves, small plastic containers
------------------------	--

How To?	<p>Combine at least 10 drops of food colouring with your bath water. Use any colour of your choice. Talk with your child about the water colour and see if you can find matching colours around your bathroom. This is a great activity complete a colour recognition day if you have been discussing different colours.</p> <p>For measuring and volume, add some measuring cups or other small plastic containers. Talk to your child about full, empty, how much, more, or less. Add some sieves for added interest and talk about how the sand trickles out of the sieve quickly or slowly.</p>
