My Child Learns:	<ul style="list-style-type: none"> • Games with Rules • Playing with a friend • Counting
-------------------------	--

What Do I Need?	<ul style="list-style-type: none"> • No additional materials required
------------------------	---

How To?	<p>You can play this Activity with two people, or twenty in any location at any time!</p> <p>Choose one person to be 'in'. That person then closes their eyes and counts to a chosen number (5 for littlies – they may need adult help for this one, or 10-20 for older children).</p> <p>While one person counts, the rest go and hide somewhere they don't think they will be found easily.</p> <p>Once the Counter has finished, they can open their eyes and go off to discover where their friends are hiding.</p> <p>Continue looking until everyone has been found. Start the game again with a new person to be 'in'.</p> <p><u>Note</u> – when playing with very young children, make the hiding places easy to be discovered. They may need an adult to accompany them throughout the counting and locating process.</p>
