

Activity Name:	Bubble Wrap Printing	# 00066
-----------------------	-----------------------------	----------------

My Child Learns:	<ul style="list-style-type: none"> • Fine Motor manipulation • Creativity and design • Colour recognition
-------------------------	--------------------------------------------------------------------------------------------------------------------------------------------

What Do I Need?	<ul style="list-style-type: none"> • Scissors • Paper for printing • Bubble wrap • Appropriate children’s paint • Plastic container lid
------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

How To?	<p>Ask your child to help you choose which colour paint you will use for this activity. Place the paint (in a variety of colours) onto the lid. Dip your Bubble Wrap and start printing bubble side down, pressing firmly to ensure even coverage on the paper. You can use this style of printing to make cards, wrapping paper, or pictures.</p> <p>Use a variety of paint colours and Bubble Wrap sizes to create interesting designs. Once dry, display your work in a photo frame or on the wall.</p>
