

Activity Name:	Boat Races	# 00075
-----------------------	-------------------	----------------

My Child Learns:	<ul style="list-style-type: none"> • Science – sinking and floating, cause and effect • Design and creativity
-------------------------	---

What Do I Need?	<ul style="list-style-type: none"> • Clean plastic containers (eg small yoghurt containers) • Blue-tac • Drinking straws • Paper
------------------------	--

How To?	<p>Use a small plastic container to make your boat. Press the blue-tac to the inside base of the container. Make a sail for the boat by cutting a triangle from a piece of paper and threading the drinking straw through it. Press the drinking straw with the sail on it, into the middle of the container and secure it in the blue-tac. Name your boat.</p> <p>Race your boats in your bathtub or in a large plastic bowl of water outside in the garden. Blow into your boat sail to make it go.</p> <p>Please remember to practice adult supervision at all times around water activities.</p>
